## TEC800

| Part No.       | Picture   | Name                                  | Marks           |
|----------------|---|---------------------------------------|-----------------|
| <b>Base</b>    |   |                                       |                 |
| TEC800.PT      |    | TEC800 (Color xxx)                    | BASE            |
| <b>Options</b> |   |                                       |                 |
| TEC800.PT01a   |   | 2x Front projectors<br>(3500 lm each) | TEC800 - OPTION |
| TEC800.PT01b   |  | 2x Front projectors<br>(5400 lm each) | TEC800 - OPTION |
| TEC800.PT02    |  | 2x Side projectors<br>(1750 lm each)  | TEC800 - OPTION |
| TEC800.PT03a   |  | 2x Rear projectors<br>(3500 lm each)  | TEC800 - OPTION |
| TEC800.PT03b   |  | 2x Rear projectors<br>(5400 lm each)  | TEC800 - OPTION |

|             |   |   |  |
|-------------|---|---|--|
| TEC800.PT04 |    | Position lights<br>(red/green)                    | TEC800 - OPTION  |
| TEC800.PT05 |    | Sounding alarm<br>(97dB)                          | TEC800 - OPTION  |
| TEC800.PT07 |    | Hour meter reading                                | TEC800 - OPTION  |
| TEC800.PT08 |   | Winch<br>(2000 kg / 15m)                          | TEC800 - OPTION  |
| TEC800.PT09 |  | Tow hitch<br>(ISO50)                              | TEC800 - OPTION  |
| TEC800.PT11 |  | Front drive camera<br>(up to 1080p<br>wide angle) | TEC800 - OPTION<br>Depends on TEC800.PT19                    |
| TEC800.PT12 |  | Rear drive camera<br>(up to 1080p<br>wide angle)  | TEC800 - OPTION<br>Depends on TEC800.PT11 and<br>TEC800.PT19 |

|             |   |   |   |
|-------------|---|---|---|
| TEC800.PT13 |    | <p>GNSS module<br/>with AHRS and RTK base<br/>(0.05m precision)<br/>and autonomous navigation</p> | TEC800 - OPTION                                   |
| TEC800.PT15 |    | <p>Remote control<br/>Buttons box</p>   | TEC800 - OPTION                                   |
| TEC800.PT16 |    | <p>Remote control<br/>10" Tablet Windows with radio<br/>module (up to 1000m)</p>                  | <p>TEC800 - OPTION<br/>Depends on TEC800.PT19</p> |
| TEC800.PT19 |   | <p>WiFi radio module<br/>Dual radios</p>  | TEC800 - OPTION                                   |
| TEC800.PT20 |  | <p>High power mesh radio module<br/>long range</p>  | TEC800 - OPTION                                   |
| TEC800.PT21 |  | <p>Wired link with winder<br/>(up to 100m)</p>  | <p>TEC800 - OPTION<br/>Depends on TEC800.PT16</p> |
| TEC800.PT23 |  | <p>Remote assistance<br/>OTA Firmware</p>   | TEC800 - OPTION                                   |

|                                   |   |  |  |
|-----------------------------------|---|--|--|
| TEC800.PT27                       |    | Aero rails   | TEC800 - OPTION  |
| <b>Tools (Tool free assembly)</b> |   |  |  |
| TEC800.TL01a                      |    | Remote controlled monitor<br>(Akron Brass 3419)<br>(up to 4800lpm)                   | TEC800 - ACCESSORY   |
| TEC800.TL01a-01                   |    | Camera on remote controlled<br>monitor   | TEC800 - ACCESSORY<br>Depends on TEC800.TL01a and<br>TEC800.PT11 |
| TEC800.TL01a-02                   |   | Foam tube  | TEC800 - ACCESSORY<br>Depends on TEC800.TL01a                    |
| TEC800.TL01b                      |  | Monitor<br>(Akron Brass 3444)<br>(up to 2000lpm)                                     | TEC800 - ACCESSORY   |
| TEC800.TL01c                      |  | Remote controlled monitor<br>(POK 26544.ASA15 + POKADOR<br>38041)<br>(up to 2000lpm) | TEC800 - ACCESSORY   |
| TEC800.TL01c-02                   |  | Foam tube  | TEC800 - ACCESSORY<br>Depends on TEC800.TL01c                    |

|              |   |   |   |
|--------------|---|---|---|
| TEC800.TL02  |    | Dual water/foam input system                          | TEC800 - ACCESSORY<br>Depends on TEC800.AC01  |
| TEC800.TL03  |    | Water canon<br>(up to 500lpm)                         | TEC800 - ACCESSORY  |
| TEC800.TL04  |    | Water autoprotection system                           | TEC800 - ACCESSORY<br>Depends on TEC800.AC01 or<br>TEC800.AC03  |
| TEC800.TL05  |   | 1x stretcher support<br>(stretcher not included)      | TEC800 - ACCESSORY  |
| TEC800.TL06  |  | 2x stretchers support<br>(stretchers not included)    | TEC800 - ACCESSORY  |
| TEC800.TL07a |  | Day & Thermal cameras turret<br>(360 pan, tilt, zoom) | TEC800 - ACCESSORY<br>Depends on TEC800.PT18 or<br>TEC800.PT19<br>NEMOSYS-SR<br>Day : CAMEZOOM-FHD/Z30-129<br>Thermal : CAMIR-UC<br>(4 months delivery) |
| TEC800.TL08  |  | Smoke extraction fan<br>(220 000 m3/h)                | TEC800 - ACCESSORY  |

|             |   |   |  |
|-------------|---|---|--|
| TEC800.TL09 |    | <b>Bull bar</b>   | <b>TEC800 - ACCESSORY</b>                            |
| TEC800.TL10 |    | <b>Snow blade</b>   | <b>TEC800 - ACCESSORY</b>                            |
| TEC800.TL11 |    | <b>360 degrees projectors<br/>(4x 3500 lm)</b>                                      | <b>TEC800 - ACCESSORY</b>                            |
| TEC800.TL12 |   | <b>Air bottle support<br/>up to 2 people<br/>(bottles not included)</b>             | <b>TEC800 - ACCESSORY</b>                            |
| TEC800.TL13 |  | <b>Air bottle support<br/>up to 6 people<br/>(bottles &amp; gears not included)</b> | <b>TEC800 - ACCESSORY</b>                            |
| TEC800.TL14 |  | <b>Mounting for measuring<br/>equipment with video feedback</b>                     | <b>TEC800 - ACCESSORY<br/>Depends on TEC800.PT11</b> |
| TEC800.TL15 |  | <b>Basket/box for transport of<br/>materials</b>                                    | <b>TEC800 - ACCESSORY</b>                            |

|                    |   |                                 |  |
|--------------------|---|---------------------------------|--|
| TEC800.TL16        |    | Full duplex audio system        | TEC800 - ACCESSORY<br>Depends on TEC800.PT19 |
| <b>Accessories</b> |   |                                 |  |
| TEC800.AC01        |    | 2 parts loading ramps           | TEC800 - ACCESSORY                           |
| TEC800.AC02        |    | 4 straps tablet support         | TEC800 - ACCESSORY<br>Depends on TEC800.PT16 |
| TEC800.AC04        |   | Tablet charging dock            | TEC800 - ACCESSORY<br>Depends on TEC800.PT16 |
| TEC800.AC06        |  | 2 straps remote control support | TEC800 - ACCESSORY<br>Depends on TEC800.PT15 |
| TEC800.AC09        |  | Hose pull                       | TEC800 - ACCESSORY                           |
| TEC800.AC10        |  | 4x Slinging rings               | TEC800 - ACCESSORY                           |

|                    |   |   |  |
|--------------------|---|---|--|
| TEC800.AC12        |    | Waterproof suitcase<br>for TEC800 charger       | TEC800 - ACCESSORY                           |
| TEC800.AC13        |    | Waterproof suitcase<br>for B-Box remote control | TEC800 - ACCESSORY<br>Depends on TEC800.PT15 |
| TEC800.AC14        |    | suitcase<br>for TC-Tab remote control           | TEC800 - ACCESSORY<br>Depends on TEC800.PT16 |
| TEC800.AC15        |   | MSA ALTAIR 5X<br>Multigaz detector              | TEC800 - ACCESSORY<br>Depends on TEC800.TL14 |
| TEC800.AC16        |   | Barquette Ferno 71<br>(Dumon Sécurité)          | TEC800 - ACCESSORY<br>Depends on TEC800.TL05 |
| <b>Spare Parts</b> |   |   |  |
| TEC800.SP01        |  | 2x TEC800 Batteries                             | TEC800 - SPARE PARTS                         |
| TEC800.SP02        |  | TEC800 Battery charger                          | TEC800 - SPARE PARTS                         |

|                           |  |  |   |
